

DOCKET NO.: **19-0066
Application No.: 10/776,574
Notice of Allowance Dated: October 8, 2009

PATENT

REMARKS

After entry of the foregoing claim amendments, claims 1-12, 15-26, and 28-42 will be pending. Claims 1-12, 15-26, and 28-32 have been allowed. Claims 33-42 are new. Support for the new claims may be found throughout the specification and figures. No new matter has been added.

In the present amendment, Applicants have added new claims 33-42. Claims 33-42 are directed to a “communication switch” and recite claim limitations similar to the claim limitations recited in the allowed claims 1-12, 15-26, and 28-32. Therefore, Applicants respectfully submit that claims 33-42 are allowable and that the present application is in condition for allowance. Reconsideration of the application and an early Notice of Allowance are respectfully requested. In the event that the Examiner cannot allow the present application for any reason, the Examiner is encouraged to contact the undersigned attorney, Hilary A. Reinhardt at (215) 568-3100, to discuss the resolution of any remaining issues.

Respectfully submitted,

Date: January 8, 2010
